## Alberta Elks Association Convention Held at Turtle Mountain Playgrounds Monday and Tuesday

Headed by A. G. Smellie, M.C. of Russell, Manitoba, grand exalted ruler of the Benevolent and Protective Order of Elks of Canada and Newfoundland delegates and visitors from lodges from all over Alberta attended the 21st Alberta Elks' Association convention, which opened this morning, began registration Sunday afternoon and by 10 p.m. more than 100 delegates and visitors had their names recorded.

Other grand lodge officers registered and seen at the open house held at the Turtle Mountain playgrounds Sunday night, were Past Grand Ruler Mr. F. N. Dawson of Calgary; Past Grand Exalted Ruler J. P. Ferguson of Trochu; Grand Lodge Trustees R. C. Old of Blairmore, Grand Lodge Chaplain C. Conway of Lloydminster.

Alberta's registered Sunday night included President Stan Wickerman of Calgary; First Vice-President Ken Lawson of Edmonton; Second Vice President C. W. Bryenton of Vegreville; Third Vice-President E. McKeown of Lethbridge; J. D. Bell of Hythe; Inner Guard, A. B. McIntosh of Lethbridge; and Immediate Past President, Sam Savage of Calgary.

The convention opened at 10 o'clock Monday morning at the Turtle Mountain playgrounds and addresses of welcome were heard from Mayor Frank Abousayyaf of Coleman and Mayor Enoch Williams, of Blairmore; Hon. Ivan Casey, Minister of Education, and the Exalted Ruler of Blairmore and Coleman lodges.

At noon Monday convention members were the guests of the

Coleman Ladies of the Order of the Royal Purple who sponsored a luncheon in their behalf.

At 6:30 p.m. Monday a parade of Blairmore, Coleman and Barons' Patrol teams paraded through Blairmore's main street led by Coleman Pipe Band and West Canadian Brass band, had pictures taken alongside the Blairmore Memorial, and then marched to the Coliseum hall where the competitions were held for the Pendray and R.C. Trophies for patrol teams.

Blairmore won the Pendray Trophy, emblematic of the best patrol team in the province. Coleman placed second, receiving a trophy while Barons won the R.C. Old Trophy.

The convention members were guests of the Blairmore branch of the Canadian Legion for an hour and later attended the convivial dance in the Coliseum hall.

Tuesday morning the convention re-convened at 9 o'clock. At noon the ladies of the Blairmore Elks were hostesses to the members at a luncheon. At 12:45 a tour of the West Canadian Coliseum strip mine was made.

During the afternoon session election and installation of the provincial officers was made the convention coming to a close at 5 p.m.

Tuesday evening Coleman Elks were hosts to the convention at a stag party held at Crows Nest Lake pavilion when over one hundred Elks were present.

Convention chairman was R. C. Old, Grand Trustee of Blairmore, and P.E.R. Adam Wilson of Coleman.

### FERNIE'S NEW BRIDGE OPEN?

According to a news story in the Fernie Free Press last week the new bridge across the Columbia gang was going all out to open the new steel bridge at the east end of the city to highway traffic. The approaches both to the east and west of the structure were being rushed to completion.

The news story also stated that an endeavor was being made to reconstruct a bridge over the Elk river at Hosmer so that through highway traffic could be resumed as early as possible.

### SURPRISE BIRTHDAY PARTY

Twenty friends of Mrs. John Slaus sponsored a surprise birthday party in her honor on Saturday evening, the function being held at the home of Mrs. John Tarcon.

Upon entering the home of Mrs. Tarcon the honored guest was presented with a bouquet of flowers by her sister and a beautiful corsage by Mrs. Tarcon.

A delicious lunch was served with wine provided by Mrs. Tarcon on behalf of the assembled guests, presenting Mrs. Sulcus with a handsome sandwich and waffle maker. The honored guest thanked her friends for their lovely gift and good wishes in an appropriate manner.

Dancing was enjoyed during the balance of the evening, the party concluding in the early hours of Sunday morning.

Last Thursday evening the Coleman High School students held their annual prom in honor of the graduating class. Approximately one hundred and fifty students and teachers attended the program in the Italian hall where a delicious supper was prepared and served by Mrs. H. Masien, Mrs. Wm. Shields, Mrs. Wm. Clark and Mrs. Stan Westhaver.

After the banquet, Principal Hoyle spoke briefly to the assembled students and teachers with a special message to the graduating class. His suggestion that the outgoing class get together "For all the sins of the past twelve years . . ." He got no further, the laughter was spontaneous.

In more serious vein Mr. Hoyle stressed the pleasant student-teacher atmosphere of the school, complimenting the student body on their willingness at all times to accept criticism and to stand up for what they believed was right and against unpleasant personal reactions.

Concluding, the principal emphasized the difficulty of giving worth while advice to those going out into a world of rapidly

changing ideas and standards of behaviour. Perhaps the best he said, was to hold fast to the true realities; honesty, faith, courage and consistent and wholehearted worship of the good and the beautiful.

From himself and staff he hoped that success and honor would come to those leaving their Alma Mater.

Before departing for the auditorium to spend the balance of the evening the students presented the corps with gifts and expressed sincere appreciation of their efforts in serving such a wonderful banquet.

Pictures of the banquet and that of the graduating class were taken by Photographer Bert Hopp and by Mr. Steve Ouriou, teacher.

The students later adjourned to the school auditorium where a short program and dancing were enjoyed during the rest of the evening.

The 1948 graduating class included Irene Antonenko, Victoria Silvers, Shirl Ewing, Marjorie Tiffen, Elaine McLean, George Dibble, Edmund Abousayyaf, Vincent Hubbard, Short and Patrick Naylor.

## Carbondale Home Badly Wrecked By Fire

Fire's Origin Unknown; Roof Completely Wrecked; Interior Suffered Severe Damage.

Fire of unknown origin severely damaged a residence located immediately west of the McCallum Creek tipple and owned by the company, Sunday morning.

The fire started on the floor of the back porch and had made considerable advance before night watchman Wm. Mason and Mr. Ivan Johnston noticed heavy smoke rising from the house. The alarm was immediately sounded by Mr. McCallum on behalf of the assembled guests, presenting Mrs. Sulcus with a handsome sandwich and waffle maker. The honored guest thanked her friends for their lovely gift and good wishes in an appropriate manner.

Dancing was enjoyed during the balance of the evening, the party concluding in the early hours of Sunday morning.

## No Blame Laid In Train Wreck At Lundbreck

Accidental death, with no blame to anyone, was the verdict of the coroner's jury inquiring into the death of William M. Donohue, 30, of Lundbreck, James and Gordon Heuer, Crippe, Lethbridge, crew members of the C.P.R. freight train that crashed through a culvert early on the morning of May 27 at Rock Creek.

Coroner Donald MacPherson presided.

R. C. Anderson, tall-end blacksmith, who was riding in the caboose of the train, described the accident; while Engineers J. Miers and Robert Trenholme, of Lethbridge, testified of taking trains over the culvert on May 26, and finding the culvert intact.

Mr. Nykolyuk, section foreman, stated that he had inspected the culvert May 25, and had found it functioning efficiently.

A. W. Bettom, master mechanic for the C.P.R., described the work of his crew in recovering the bodies of the victims. Kubas, Goran, Moivica, J. Djordjevic and Lester Herbiga, ranchers in the Todd Creek district, where the accident occurred, described the weather conditions the day of the accident, and the sudden rise of creeks flowing into Rock Creek.

The jury were of the opinion that a cloud burst in the drainage area of Rock Creek caused a sudden build-up of water, which caused extreme pressure against the culvert and grade, causing this part of the grade supporting the culvert to give way.

Members of the jury were William Jallep, foreman; J. H. Eddy, J. Pratt, H. Chamberlain, T. Van Wyck and A. Deroche.

OUR ERROR

In last week's column notes it was stated that Taxi proprietor Henry Claes was protesting to council against the practice of outside taxi picking up passengers in Coleman.

Mr. Claes states this is in error. He objects to buses passing through Coleman to Crows Nest Lake and which are owned by interests outside the incorporated area of Coleman, stopping in town and picking up passengers.

## Mr. and Mrs. John Anderson Celebrated Golden Wedding Anniversary

Held A Family Gathering Last Sunday Evening; Presented With Number Of Gifts; To Sail For Scotland June 25.

Mr. and Mrs. John Anderson celebrated fifty years of married life at their home on Sunday evening when their son, John, of Coleman, Jim, his wife and family, of Blairmore, their daughter, Mrs. Wm. Penman, and family, of Michel, and a number of friends gathered to mark the auspicious occasion.

The evening was one of gaiety and was marked with a presentation of a number of gifts to the honored couple along with the wish that they may have many more years of happily married life. The good wishes of many more happy anniversaries was coupled with the wish of a "smooth crossing" as the honored couple set sail. John and wife will be sailing on the Aquitania on June 25 for Bow Hill Fifeshire, Scotland, where they will take up future residence.

Mrs. Anderson, whose maiden name was Miss Jean Nicoll, and Mr. Anderson were married on June 4, 1898, at Park Head, Kirkcaldy, by the Rev. John Bell.

Mr. Anderson was a miner and worked in the mines around the Kircaldy and Bow Hill areas. All members of the Anderson family were in Scotland and in 1929 Mr. Anderson and son John Jr. arrived from Scotland in Coleman. Two years later Mrs. Anderson, accompanied by son Jim and daughter, Joan, now Mrs. Penman, arrived in Coleman.

The men gained work at the local mines. In 1935 Mr. and Mrs.

### WATERFALLS WASHED OUT PART OF HIGHWAY AT CROWS NEST LAKE

The life of the Alberta provincial highways official is certainly not a happy one this year. Joe Hananahan, foreman of the road gang, when he has one, in the Crows Pass has been literally working night and day in a supreme effort to keep the highway open.

As if he didn't have enough work repairing the highway and bridges damaged by recent high water five water falls decided to come to life over the mountain cliff jutting over No. 3 high as it passes alongside the west end of Crows Nest Lake.

The largest fall was that which comes to the east end of the highway to run well into the summer. It is located a few yards from the top of the hill as one descends towards the west end of the lake.

The flow was so strong from this particular water fall that it started to destroy a portion of the hard-surface highway and Mr. Hananahan had to engage two trucks and a few men to help him save the road. The trucks dumped tons of gravel at the spot in danger of being washed out and after many weary hours of work the road was saved.

This was the most thrilling match played here in years and fans went away pleased with the calibre of baseball played by both clubs.

### Cubs Won Two Lost One Game Last Week

#### Beat Hillcrest 10-8; Beat Michel-Natal 11-4 and Drop Second Game 1-8

Playing at Hillcrest on Wednesday, June 2, Coleman Cubs defeated Hillcrest 10-8. The game, featured by two homers off the bats of Yoho and Kovacik, was the fifth consecutive win for the locals.

At Michel on Sunday afternoon, June 6, the Cubs maintained their winning streak by defeating Michel-Natal Buffaloes 11-4. Stumpo, on the mound for Coleman, was in fine form and backed by good hitting and good fielding he earned an easy victory.

The game was played at Coleman Sunday the Michel-Natal Buffaloes eked out a 4-3 win to break Coleman's winning streak. The game was a pitcher's duel between "Lefty" Kimoto of Coleman, and "Lefty" Smith of Michel, and was not decided until the ninth inning when a Coleman rally almost tied the score.

This was the most thrilling match played here in years and fans went away pleased with the calibre of baseball played by both clubs.

## Advance Made In Tuberculosis Fight

OTTAWA.—A "remarkable" advance in the fight against tuberculosis in Canada was reported by Dr. G. J. Wherrett, executive secretary of the Canadian Tuberculosis association.

In a report prepared for presentation to the 48th annual meeting of the association, Dr. Wherrett said "the eradication of tuberculosis... when measured in decades is most remarkable."

Causing a death rate of 200 per 100,000 in 1900, tuberculosis was still responsible for only 48.2 deaths per 100,000 in 1946. The rate varied in the provinces from 17.5 in Saskatchewan to 70.4 in Quebec.

For Canadian Indians, the tuberculosis death rate was "almost fantastic". In 1937 it was 680.1 per 100,000. It had dropped somewhat in 1946, when it was 564.4 for the same number of persons.

## FARMER MAKES OWN RAIN, COVERS 120 ACRES AT ONCE

ELSA, Tex.—Making rain by seeding clouds with dry ice doesn't interest W. A. Harding, owner of the unique Evergreen Farms.

For the past 11 years he's been making two and a half inches of rainfall a day.

Harding does his rainmaking in a 1,000-acre farm, where he grows alfalfa and sudan grasses for dehydration and manufacture into chicken and horse feed and vitamin pills for humans.

His is the only farm in the world, Harding believes, that operates full blast 24 hours a day, seven days a week, year after year.

Continual sprinkling, harvesting and dehydration is going on at the T-shaped farm in the Lower Rio Grande Valley.

Every 24 hours the sprinkling system lays down two and a half inches of rain over 120 acres of stock. The next year, his eat and other small grains three or four times.

His oats are cut when eight inches tall, alfalfa at 16 inches. The harvesters rarely clear the soil as they snap off the plants.

"We cut while the plants are tender and have their green protein content," explained Harding, one of the real estate men who "opened up" the Lower Rio Grande Valley after World War II.

The alfalfa and oats are conveyed into trucks and hauled to the dehydrator, where they are fed into a telescopic drum furnace 24 feet in diameter.

Temperature of 1,750 degrees Fahrenheit bake out the moisture. Then a hammer mill, grinding at 3,600 revolutions per minute, chops the stalks before they're sucked through a fine screen.

The finished product is a pastel green flour, as fine as a housewife's baking flour. The entire dehydration

and grinding process takes less than three minutes.

Most of the sacks of green flour are shipped to Kansas City, where they are mixed either with poultry feed or processed into vitamin pills for human consumption.

"The best thing about this farm is that we contract for our production a year in advance," explained Harding, who last year turned out 8,000 tons of dehydrated cereal, grasses and alfalfa.

Our soil is getting richer, too, because of the alfalfa, although we fertilize the oats and sudan grasses."

The farm has its own power supply. Gas well provide power for the water pumps in the sprinkling system and for heat for the dehydration plant.

With apologies to the author of "Trees".

I think that I shall never see A man so asinine as he Who leaves his camp fire it's out, And throws his burning sticks about; And burns his lives for just today. And burns the forests, come what may;

A man who hunts twice and dines and dances; And catches fish that went to spawn;

Who kills a deer for killing's sake, And leaves it for the wolves to take; Who overraps a beaver house,

And in closed season shoots ruffed grouse;

A man who goes his selfish way,

For all the devastation wrought

By him, who never had a thought

For those whose heritage he'll spoil.

To whom he'll leave just rock and sand.

### PREDICTS HEAVY TRAFFIC THROUGH PORT CHURCHILL

YORKTON, Sask.—P. Dalgleish, owner of an English company, recently told a gathering here it was his opinion the Hudson Bay route will become a main transportation route and that Churchill will be on a basis of equality with the St. Lawrence and Vancouver routes. Mr. Dalgleish spoke at a public meeting sponsored by the Retail section of the Yorkton board of trade. He said this year, for the first time, there will be enough cargo shipped west to fill more than one ship, and he hoped his firm would have sufficient for two ships. Last year 15 ships made voyages into Churchill and only one brought cargo.

## Health League of Canada presents TOPICS of VITAL INTEREST

### HUMAN MILK BEST FOR BABIES

As a food, human milk still remains the best type of milk for young infants, according to a survey by a subcommittee of the Committee on Maternal and Child Feeding of the National Research Council published in The Journal of the American Medical Association. C. Aldrich is author of the report.

"Breast milk is to an appreciable extent a prophylactic food; it prevents or decreases the severity of many gastrointestinal disturbances," Dr. Aldrich writes, adding that it is an absolute preventive against constipation because it cannot solidify in the intestinal tract.

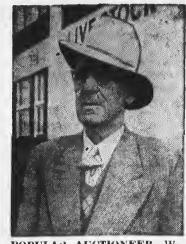

"This preventive role of breast milk is much more noticeable when it operates among children in the less favored economic classes, where adequate

hygienic measures are not always available," he continues. In many of these gastrointestinal disturbances no other food seems adequate or assimilable. For this reason he suggests that breast-milk stations be made available in large city areas.

One of the chief objections to breast-feeding, Dr. Aldrich observes, is that it sometimes causes infections of the breast. With the advent of chemotherapeutic agents such as sulfamerazine and penicillin, danger has lessened. Another objection is that breast milk may be too small in quantity to nourish the baby adequately.

"When this is true, even after a conscientious attempt has been made, complementary feedings should be given after the breast feeding," the writer states. "However, it is believed that the diagnosis of insufficient breast milk is made too often on scanty evidence ...

### OUTDOORS TOO ROOMY FOR HOUSE HUNTER

The other day a man, frantic to locate a place to live, asked a naturalist if he knew where he could find a house.

The naturalist replied: "House? Boy, you're getting soft. Why don't you live out in the open air, let old Mother Nature cover you with a blanket of stars, and have the blue firmament above as a roof?"

"Frankly," said the man, "I had in mind something a bit smaller."

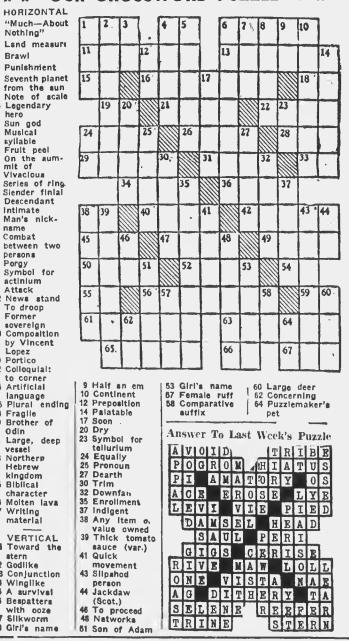

Lightened age breast feeding is unnecessary and a burden which the mother need not be expected to assume. This may be true in the case of babies whose care is under the direction of skilled physicians, but it probably is not true for the great number of babies reared under conditions in which competent medical advice is inadequate or unavailable."

Rev. A. S. Dewdney M.A., Rev.

The Induction service for the Rev. A. S. Dewdney will be conducted by Ven. Archdeacon Alexander in St. Paul's church, Blairmore on Wed. July 1 at 8 p.m.

Clergy present will include

Archdeacon Middleton, Rev. Cyril Clarke R.D., and Rev. L. G. Grant, who will be the preacher.

After the service a reception

will be held in St. Paul's parish hall to which all parishes and friends from Coleman will be invited.

An induction service is the formal installation of a new vicar

in charge of a parish, after he has made the necessary declarations and oaths. It includes

a solemn statement of the duties and responsibilities of both priest and people. It is a service of intercession for God's blessing on both. Your new vicar will value your support and prayers at this service.

The flowers on the Altar this week were given by Mrs. W. H. Garner.

The regular meeting of St. Paul's Ladies' Guild took place in the parish hall on Thursday evening, June 3. Opening prayer were led by the Rev. Mr. Lloyd. After some discussion plans were made to hold a tea in the Oddfellow's hall on Saturday, June 26. It was decided to purchase new linoleum for the kitchen floor in the vicarage and to have the door frame made in the parish hall.

The Rev. A. S. Dewdney spoke of the need of keeping in mind the religious nature of the Guild's work, and it was decided to ask the Guild members to

serve at the Corporal Communion on June 27 at 9:30 a.m. The vicar closed the meeting with a prayer.

Afterwards all sat down to a bountiful lunch.

Canada is said to be rich in natural resources. She is, but, to attain real wealth Canada must develop those resources . . . bring them out of the ground and condition them for the markets of the world.

THIS AREA is rich in coal deposits, but to attain real wealth we must bring the coal to the surface and ship it to Canadian markets.

COAL IS MINED BY MINERS. They must have homes for themselves and families before they can be expected to come to this area.

COLEMAN SHOULD MAKE AN EFFORT to accommodate more miners, more families, build up a greater community to produce more wealth for itself and for the nation.

Coleman Requires More Homes . . . More Miners!

I WANT  
TO KNOW

Am I  
too old to buy  
life insurance?

The middle-aged man who asked this question feared that at his age the cost of life insurance would be prohibitive... but even were he much older, Mutual low-cost life insurance would still prove good business.

Unfortunately many people realize the importance of life insurance only when through age or other disability they are no longer able to secure it. A life insurance programme should be started as early in life as possible.

## WEDDINGS

Rev. Father Leo Sullivan officiated at the marriage of Ellen Margaret, daughter of Mr. and Mrs. Peter Smith, of Coleman, and Raymond Joseph Nadeau, of Calgary, at 9:30 a.m. Saturday, June 5. Gladoli decorated the altar where the wedding mass was said.

Given in marriage by her father, Mr. Peter Smith, the bride wore a gown of oyster satin with a square neckline inset with net and edged in seed pearls with long fitted sleeves also edged with pearls. Her long skirt was train-length and her veil fell from a coronet of satin. She wore a pearl necklace, a gift of the groom. Her flowers were pink roses falling from a white prayer book.

The bride was attended by Miss Louise Abousaya, who wore a pink taffeta gown and carried a nosegay of carnations.

Mr. Norman Nadeau attended his bride. Ushers were Mr. Pat Naylor and Mr. Edmund Abousaya.

Miss Frances Dibble sang the hymns during the mass and "Ave Maria" during the signing of the register. Accompanying her was Mrs. Frances Maure at the piano.

The wedding breakfast was held at the Grand Union Hotel where Mr. Frank Abousaya proposed the toast "To the Bride".

A cablegram from an aunt in Scotland and telegrams of best wishes from Calgary were read to the bride and groom at the breakfest.

The wedding reception was held at the Smith home where Mrs. Smith and Mrs. Nadeau received the guests with the wedding party. Mrs. E. W. Dibble and Mrs. Wm. Hogan cut the ices with the Misses Elaine McLean and Rosalie Nadeau among the guests. Entertainment was by John Graham, violinist, Stanley Kish, pianist and Frances Dibble soloist.

Mr. and Mrs. Nadeau left by car for Calgary for their honeymoon and upon their return will reside in Coleman for the summer.

mer months. The groom is a student at the university of Alberta. For travelling the bride wore a navy blue suit with white and navy accessories topped with a grey gabardine coat.

Bailey Bros. Circus  
In Blairmore June 15

The circus is coming to town. It's the famous Bailey Bros. Circus, one of the largest circuses in the whole world, and it will be in Blairmore for one day only, Tuesday, June 15th.

Recent flood conditions in the west have forced the big show to change its routing and Blairmore has been included on the new itinerary. It's the first time in more than a decade that a real big circus has visited this section of the country.

Two performances are scheduled for the Blairmore showing at 2 and 8 p.m. Doors will open at 1 and 7 p.m. to allow ample time to visit the huge menagerie.

More than 500 people take part at each performance and among the many features are: The famous Houdini Family of bare-back stars, the Stanley troupe of high-wire walkers, new European importation, Capt. Hugh Bennett, wild animal trainer; the Henderson family of equilibrist, the Clarkonian family of jugglers and tumblers, Manuel and Chita Barragan, world's premier trapeze performers; the Miller family of slack-wire artists, daring Delores Saulski, billed as the "Queen of the Air" heading a veritable bevy of intrepid aerialists; the famous Bailey Bros. liberty horses and elephants, including an entire herd of pygmy elephants, said to be the smallest ever exhibited; Swede "Buck" Johnson, famed rodeo and western screen star and his congress of cowboys and cowgirls, and a whole army of clowns and hundreds of other daring features.

A complete side show annex with strange living creatures from all parts of the world will also be an added attraction.

## More Living Space

MANY OF THE INTERNATIONAL controversies of the past have been associated with the never-ending quest for more living space for the people in the congested countries of Europe and Asia. As long as congestion exists there is likely to be unrest, since it is in over-crowded areas that hunger, disease and political unrest flourish. The problem of finding new lands which are suitable for settling the excess population from the older countries is one which has been receiving attention for many years. There are still large areas in many parts of the world which are very sparsely populated because of poor climatic conditions, poor accessibility, lack of fertile soil or other adverse features, and it is unlikely that it would ever be considered desirable to move large sections of population to them.

**Plan To Open Vast New Area**

Recently the United Nations Educational, Scientific and Cultural Organization, known as UNESCO, called a conference of representatives of seven American and three European nations, as well as observers from a number of organizations, to a conference in Peru, to discuss a plan to turn the vast natural resources of the Amazon River basin to the use of mankind. The area under consideration is made up of some 2,700,000 square miles of land which is at present almost totally uninhabited, and which is readily accessible to the Atlantic Ocean by way of the mighty Amazon River, in which sea-going ships may navigate for 2,500 miles, the entire length of the great river.

**Called A Long Range Project**

Delegates to the meeting came from six countries bordering on the Amazon, including Bolivia, Brazil, Ecuador, Colombia, Peru and Venezuela. The United States was also represented, as was France, Great Britain and the Netherlands, as owners of the Guianas, which border on the Amazon. There were observers from such bodies as the Food and Agriculture Organization, the International Labor Organization, and the World Health Organization. While it will be a long-range project, and considerable time will be required to assemble the necessary information concerning the territory, it is envisioned as "a great new area of world development in this jungle land now inhabited by only a few Indians". In undertaking the project the United Nations may be helping to find a solution to one of the most serious problems of these times.

## ALBERTA SITE FOR MILLION DOLLAR PULP MILL

**RED DEER, Alta.** — Negotiations are underway for a site for a multi-million dollar pulp mill, it was learned. A Seattle, Wash., firm has started negotiations with the city to secure a quarter-section of land within the city limits for the mill site.

### Canada Leads In Immigration

**LONDON.** — In the two years to the end of 1947, 75,439 assisted emigrants went to Canada, 22,604 to Australia, 11,346 to New Zealand and 37,269 to South Africa. Viscount Astor, Lord Privy Seal, told the House of Lords.

Beavers use their tails to slap out signals on the water surface.

## FUNNY And OTHERWISE

**L. B. THOMSON**

**Shy (at dance):** "Does my gown look as though it were falling off my shoulders?"

**He:** "No. Come on; let's dance."

**Hubby:** "What? Is she a thief?"

**Wife:** "Those two marred "Fullman" which you brought home on your last trip."

**Mother:** "Yes, children, an Indian wife is a squaw. Now, what do you suppose the Indian babies are called?"

**Junior:** "I know. Squawkers."

**Little Susan** had spent the day on the farm and came home starry-eyed and full of wonderful news. "Guess what, Mommie. They had a chicken for dinner right out of their own garden!"

"Now boys," said the teacher, "I want you to bear in mind that the affix 'stan' means 'the place of'. That is, Afghanistan is the place of the Afghans. Can anyone give me another example?"

Nobody seemed anxious to do so until little Jimmy said proudly: "Yes, sir, I'm British-estan, the place for umbrellas!"

**Sambo** was hired on a railway gang. At the close of the first shift he was all tired out and sought the boss.

"Mister, yo' sho' yo' all get down right on the pay roll?"

"Sure," said the boss. "Here's your name — Sambo Simpson. That right?"

"Yes, sir," replied Sambo. "Ah just thought you might have me down as Sambo."

**Mistress:** "Bridget, it seems to me that the crinkliest women get the best cooks."

**Bridget:** "Ah, go on wid yer blarney!"

**Junior** was asking his father questions while the parent was trying to get some figures straightened out in the business ledger he had brought home.

"Don't you know that erinosis killed a cat?"

The boy was silent for fully 20 seconds. "The impact of this revelation struck home. Then, in a wise voice, he whispered,

"Daddy, what was it the cat wanted to know?"

WHERE KATHLEEN KENNEDY WAS KILLED—Here is the wreckage of the airplane at St. Beuzeille, France, in which Kathleen Kennedy, daughter of the Marquis of Hartington, and daughter of Joseph P. Kennedy, former U.S. ambassador to Great Britain, was killed. She had accepted an invitation from a friend, Earl Fitzwilliam, one of Britain's wealthiest peers, to fly to Cannes, and was en route to Cannes from Paris when the plane encountered an electrical storm. Earl Fitzwilliam also died in the crash.

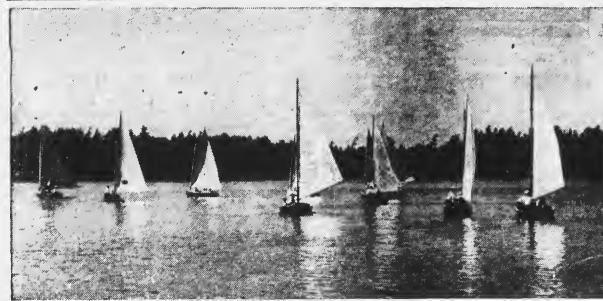

KOREAN "TIMES SQUARE" ON ELECTION DAY—Koreans who voted in the recent election—the first in which they ever had a chance to choose their own government—are shown scanning the election returns posted outside the capital building in Seoul, the capital. Almost 90 per cent. of the eligible voters of South Korea cast ballots, despite a Communist campaign of terrorism to wreck the United Nations supervised election.

LEAVE MONTREAL TO COLLECT SWEEP-STAKES—Lady winner of \$100,000 in the Irish sweepstakes, Eugene Eryck, Cleveland, and his bride are seen leaving Montreal airport for Ireland to collect. The trip is a honeymoon, too.

NEHRU AT INDEPENDENCE DAY FETE—Arriving at the river Jhelum, Prime Minister Jawaharlal Nehru of India (right) and Sheik Abdullah, prime minister of Kashmir, were part of a great procession that marked the celebration of Kashmir's Independence Day. The present was held at Srinagar.

SGM CADETS GIVE SAILING DISPLAY—A sailing display is part of the annual inspection of the Sea Cadet corps of Ontario's Lakefield preparatory school. Vice-Admiral H. T. W. Grant, chief of naval staff, Ottawa, carried out an inspection. The program included a ceremonial parade, followed by demonstrations of sailing, navigation, knots and splices, and formation sailing in response to signals from the shore.

UAW PRESIDENT LEAVES HOSPITAL—President of the (CIO) United Auto Workers Walter Reuther holds his daughter Linda with his good arm as he is wheeled out of a Detroit, Mich., hospital. Reuther's right arm, which was nearly blown off by an assassin's shot blast, is still in a cast.

YOUNGEST ALLIED MAJOR-GENERAL—A major-general at the age of 31, Maj.-Gen. D. C. Spry of the Canadian army, whose promotion to that rank from brigadier-general was announced by Canadian army headquarters in France, is believed to be the youngest officer of that rank in the Allied armies. He is the son of late Major-General D. W. Spry and was born in Wimipeg, Man., moving later to Halifax, N.S.

CONGRATULATED UPON NEW JEWISH STATE—Dr. Abba Hillel Silver, chief Jewish delegate to the United Nations Assembly, received congratulations from Dr. Philip C. Jessup, (right), of the United States delegation at Flushing, N.Y., when word was received that the U.N. had recognized the new Jewish state of Israel, with 11 minutes after Britain had relinquished its 26-year mandate. Meanwhile fighting between Jews and Arabs is continuing in Palestine. Arabs from all countries have joined in the fight against Zionism.

MOTHER OF SLAIN REPORTER OFF TO GREECE—Mrs. Adelaide Polk, mother of George Polk, radio correspondent, whose bullet-riddled body was found in Salomika Bay, is shown saying good-bye to a young man, Billie, before she left New York to fly to Athens for her son's funeral. George Polk was missing for a week before his body was found, buried in a hole, hands and feet bound with twine. He had been shot through the head. The Greek government is making an intensive investigation.

PRAISED IN COMMONS—Heroine of Ruth Black of Fort William, Ont., was praised in the House of Commons at Ottawa. Miss Black, according to the Canadian Legion, Lt. Col. Frank Williams, stopped a runaway team at Fort William exhibition, saving men, women and children spectators. Rt. Hon. James G. Gardiner, minister of agriculture, wrote her expressing the appreciation of the House.

BARBARA ANN AMONG CELEBRITIES—Canada's queen of the blades, Barbara Ann Scott, had herself a busy time at Washington, D.C., recently, when she was an honorary scorer for Bing Crosby at the second annual Celebrities Golf Tournament. Before the show started, Edgar Bergen and Charlie McCarthy entertained the crowd, and delighted Margaret Truman, daughter of President Truman, and Barbara Ann. Presidential candidates, sports leaders, and stars of stage, screen and radio took part in the festivities. Barbara Ann also visited the Canadian embassy and had a thrilling visit with President Truman at the White House with whom she exchanged autographs.

THREE DIE AS PUNT TIPS—Harold Rogers, 32; his son, Harold, three, and Reginald Spencer, his brother-in-law, drowned when trapped beneath their overturned punt in two rapids in Espanola, Ont. The flat-bottomed craft, powered with an outboard motor, capsized in the rapids of the Spanish river. Only person to survive was George Beer, 34, who reached shore, but was so exhausted it took him almost two hours to walk to Espanola and give the alarm.

QUEEN OF GARDENIAS—Linda Turner, 18, year-old Queen of the Cypress Gardens festival at Cypress Gardens, Florida. She was officially honored in a colorful ceremony amid music and thousands of gardenias.

LANA GETS A KISS FROM THE WINNER—Newly married Lana Turner, bride of Henry Topping, gets a kiss from Frank Brewer, captain of the British team at the opening of the midget car racing season in London.
